25X1

1. Pursuant to my telephone conversation of 7 October 1958 with [] it is requested that special clearances be given to [] Deputy Chief, Data Management Division, PIC, and [] Chief, Photogrammetric Laboratory, Data Management Division, PIC. These clearances will enable PIC to utilize [] on special data management problems and [] on the development of special photogrammetric systems for exploitation. Such clearances are considered essential insofar as appropriate PIC action is concerned with problems at Rand.

It is intended that our representatives discuss special photo systems with Mr. Greene on 13 October and arrange for certain equipment to be displayed and/or described at the 20 October Washington "show". The meeting on 14 October in Boston is for the purpose of procuring and discussing as appropriate certain graphic materials which will be used at the 20 October meeting.

3. I assume that your concurrence with the travel proposal will call for notification to Messrs. Greene, [] by your Security Staff of the clearance status of the visitors.
